Dear Mr. Weisberg:

Thank you very much for your letter of June 14, 1998 and your words of encouragement. We at the Forensic Justice Project are also very interested in making our system of justice work and intend to do all that we can to make it work for everyone. With a lot of us working toward the same end, perhaps we can make a difference. If we can be of any assistance to you, please let us know.

Sincerely,

Frederic Whitehurst, Ph.D., J.D.
